

TARP GRIPPER

QUICK REPAIR AND APPLY TARP ACCESSORIES.

Tarp Gripper is a quick and effective way to add tie down points to plastic and cloth tarps... wherever they are needed! The reusable Tarp Gripper makes a tie down point that is 10 times stronger than a traditional grommet. Replaces missing grommets or adds them where needed. No punctures necessary, keeps tarps looking like new.

Designed with durability and quality in mind, Zip-Up brings the Tarp Gripper. With innovation in mind, this product easily makes for replacing or adding grommets. It is made to be reusable and long living, for maximum use.
