# HANGFLAT

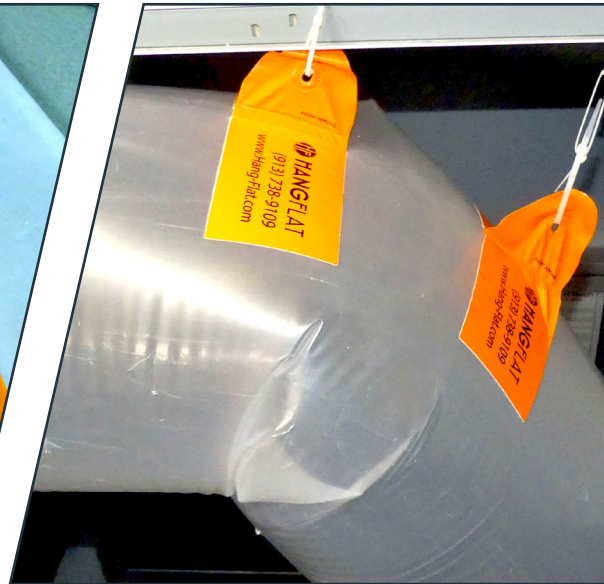

HangFlat hangers were designed to save you and your team time and money, by helping you get the job done faster. Our patented design will ensure that you and your team don't waste valuable time setting up and hanging your LayFlat duct Hanger.

1) Remove paper liner to expose high tack adhesive

2) Space at 10-15 ft apart along the duct run.

3) Use two HangFlat hangers closely spaced at high stress points
