

CARPET PROTECTION FILM

CARPET PROTECTION FILM IS IDEAL FOR BOTH COMMERCIAL AND RESIDENTIAL CONSTRUCTION

Zip-Up temporary carpet protection film is made from high strength puncture resistant poly. The roll is wound with the adhesive side out to allow for easy application to the carpet with or without an applicator. Ideal for renovation, remodeling and new construction. Available in a variety of roll sizes for jobs large and small. See item-size chart below.

- Protects carpet from spills and debris
- Easy to apply and remove
- Puncture and tear resistant
- Saves clean-up time and expense
- Protects for up to 45 days
- Suitable for all types of synthetic carpets
