STICKY MATS

STICKY MATS are great for controlling dust on commercial and residential construction sites.

Sticky Mats by Zip-Up Products provide effective dust and contamination control for clean-rooms, construction sites, and other sensitive areas, including healthcare facilities. Our high-quality adhesive mats trap dirt and debris at entry points, ensuring a cleaner, safer environment.

Featuring adhesive layers that capture dirt and debris, these mats keep entry points clean and safe. Durable, easy to maintain, and ideal for high-traffic areas, **Zip-Up Sticky Mats** ensure a cleaner work environment.

STICKY MATS – Cleanroom Adhesive Pads, Available in Blue or White.

CHOICE OF PROFESSIONALS EVERYWHERE

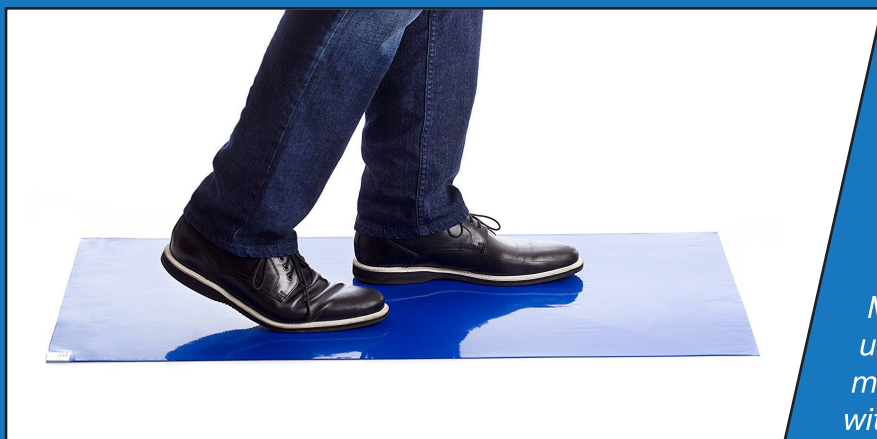

KEEP YOUR SPACE CLEAN – Sticky Mats by **Zip-Up Products** are perfect for controlling dust on commercial and residential construction sites. Sticky Mats effectively capture dirt from heavy foot traffic.

PREMIUM ADHESIVE COATED MAT – Individually numbered 0.04mm adhesive sheets keep dust outside and out of designated clean areas.

NON-SKID ADHESIVE BACKING –

Remove the bottom poly liner of the Sticky Mat to adhere the mat directly to most surfaces to eliminate slipping and sliding.

30 LAYER STICKY MAT – Each Sticky Mat pad includes 30 layers. Simply peel off used layer to expose fresh sticky sheet.

MULTI-PURPOSE APPLICATION – Sticky mats are proven to be effective in a variety of industries including construction, clean-rooms, classrooms, microelectronics, food processing, aerospace, pharmaceuticals, and office spaces.

Mats have numbered sheets to indicate usage. Remove bottom poly liner to adhere mat directly to most hard surface floors or use with **Zip-Up MAT FRAMES** (sold separately).
